

Arizona Law Enforcement Accreditation Program

Assessor ROUNDTABLE

We're pleased to invite you to our **IN PERSON** Assessor Roundtable discussion.

This session is a key opportunity to share important updates, including training materials, program developments, compliance tracking, and standardized reporting tools.

Our goals for the discussion include:

- Finalizing a consistent report format
- Refining the start-to-finish process for assessors
- Exploring how ALEAP can better support final assessors with resources, personalized assistance, and guidance to ensure successful outcomes

Your input is essential, and we look forward to your participation!
